Dear Messrs. Chairmen and Ranking Members:

Attached is The Military Coalition's Letter to Conferees. This represents the priorities shared among those members of the Coalition who signed on in support. Regarding the FY 2022 National Defense Authorization Act and the hard work accomplished by the Armed Services Committees, the Coalition wants to ensure our priorities are shared with you and your staffs as the NDAA approaches its final form.

We understand the time constraints now facing this legislation, and we are hopeful compromises between the chambers don't result in compromises that may have a negative impact on those who are currently serving, or have served, and their families.

We look forward to continued communications with our Congressional leaders and will continue to follow these issues into the second session of the 117th Congress. Best wishes for a safe holiday season.

Sincerely,

President,
The Military Coalition
